

Try making your own origami by following our step-by-step instructions below.

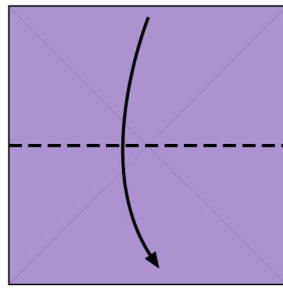

This week it's the butterfly. Once you've finished, make sure you tweet us your best efforts...

1.

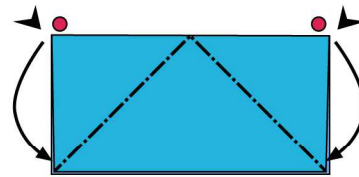

Fold and unfold both diagonals

2.

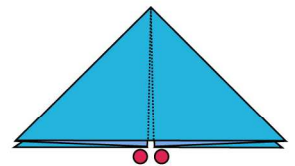

3.

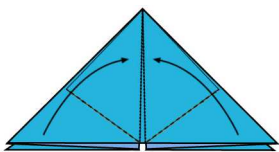

Sink fold the upper corners inside...

4.

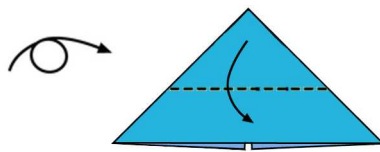

5.

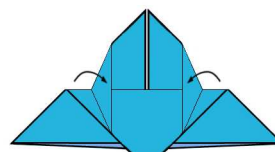

Fold up the corners of the top layer and turn the model over

6.

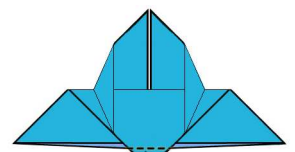

Fold down the top layer so that the point extends over the bottom by about 2cm

7.

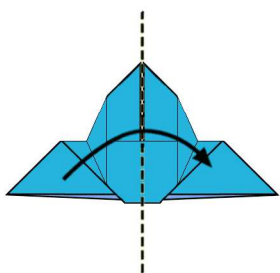

Flatten the sides in that will naturally have risen up in step 6

8.

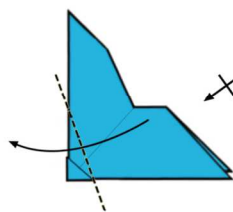

Fold the bottom tip back behind the model

9.

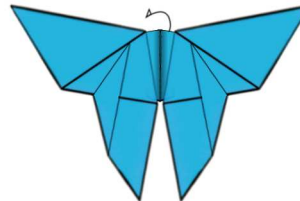

10.

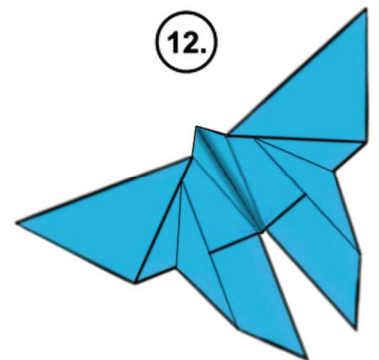

Fold the top layer back along the dotted line. Repeat for the reverse side

11.

Unfold the tip of the bottom layer. This will form the head of the butterfly...

12.
